

YOU CAN GIVE AN ENTIRE COMMUNITY

Unlimited Access to Future-Ready Programs

BUILD
aBIZKIDS

Empowering The Next Generation of Young Leaders starts by providing their community with unlimited access to progressive resources & programs

The Indigenous Youth Entrepreneur Program, designed for youth 7-15yrs, reaches them early... when they are still able to dream BIG and their imagination knows no bounds.

Give Youth Unlimited Access To:

- Practical, future-ready programming
- A real-world experience that taps into their strengths and builds confidence
- The chance to start their own business, make real money & grow their self worth

\$3,500 Gives an Entire Community 2yrs of Unlimited Access

Each student can work through the course at their own pace and learn from other Indigenous Youth who teach concepts like:

- Prototyping
- Marketing
- Elevator Pitches
- Branding
- Market Research
- Goal Setting
- Business Finance
- And So Much More!

When you empower youth, you are providing them with the skills and confidence to uplift their community, too.
